

# MAHANAGAR GAS LIMITED

Ref No. MGL/Env/DM\_MoEFCC/OM 2122

Date: 26<sup>th</sup> May 2022

The Director  
Ministry of Environment and Forest, Climate Change  
Regional Office (WCZ), Ground Floor East Wing,  
New Secretariat Building Civil Lines, Nagpur-440001

**Subject:** Submission of Half yearly Compliance report (October 21 to March 22) on CRZ Clearance received for setting up Natural Gas transmission pipeline (Mahape –Dombivali Looping) near MGL's City gate station in Mahape to Manpada junction in Dombivali MIDC along Kalyan – Shilphata road crossing Ulhas River from North Side of the Bridge of Katai Naka.

**Ref:** 1.CRZ Permission F.No.11-26/2015-IA.III Dated 24<sup>th</sup> Nov 2015

Respected Sir,

This is with reference to the above subject; we hereby submit the present half yearly (April 21 to September 21) Compliance Status report

**1. Present status (Physical/Civil) of work Progress -**

Currently no work has been started. The follow up was on for Permissions / NOCs for laying approach line from other statutory authorities like MSRDC, MMB & Private parties etc related to Ulhas river/creek crossing. However, BPCL initiated work across the river/creek in same alignment of MGL's proposed pipeline. In view of this it is thought prudent to re-examine MGL's proposed alignment & exploring the possibility of laying gas pipeline at opposite side of creek. The proposal is submitted to CRZ Authorities accordingly for revised alignment. Next compliance report will be sent after receiving of permission & starting of the job.

**2. Point wise compliance status to various stipulations with supporting documents and reports: -** Will be submitted once the construction will be started.

**3. Copies of – -EIA / EMP / Form-I:** EIA report was already submitted with CRZ application.

**-Consent to Establish/Operate from MPCB:** Consent to Establish has been obtained from MPCB is already submitted on 30<sup>th</sup> June 2016 letter No. MGL/Env/Dom-Mahape/June 16

**4. The information in the enclosed Data Sheet: -** Details provided in the Data Sheet is enclosed (**Annexure I**).

Thanking you,

For M/s. Mahanagar Gas Limited

**MONITORING REPORT**

**Part-I**  
**DATA SHEET**                      **Date: - 20/05/2022**

1. Project Type : Infrastructure (Proposed Natural Gas Transmission Pipeline Passing through Ulhas River Creek)
2. Name of the project : Proposed Natural Gas transmission pipeline (Mahape –Dombivali Looping) near MGL's City gate station in Mahape to Manpada junction in Dombivali MIDC along Kalyan – Shilphata road crossing Ulhas River from North Side of the Bridge of Katai Naka
3. Clearance letter (s)/OM No. and date : F.No.11-26/2015-IA.III Dated 24<sup>th</sup> Nov 2015
4. Location
- a) District : Thane
- b) State : Maharashtra
- c) Location Latitude / Longitude : latitude 19°09'45.07" N and longitude 73°04 20.50" E
5. Address for correspondence : Chief Manager – HSE,  
Mahanagar Gas Limited, Plot No. X -5/1, MIDC Mahape, TTC Industrial Area, Post- Kopar Khairane, Navi Mumbai - 400 709.  
Ph. No-02261725400
6. Salient features
- a) Of the project : Proposed 12" Diameter Natural Gas transmission pipeline (Mahape –Dombivali Looping) near MGL's City gate station in Mahape to Manpada junction in Dombivali MIDC along Kalyan – Shilphata road crossing Ulhas River from North Side of the Bridge of Katai Naka which also covers a narrow portion of 500 metres in CRZ area of river Ulhas. The length of pipeline will be 230 metres. The pipeline will be used of grade API-5L Gr.B of Diameter 12 NB", 9.5 mm thickness and 4" NB 6.4 mm thick steel pipeline crossing river lay together by HDD Method. The pipeline shall be laid at a depth more than 2.5m from the water bed.
- b) Of the Environmental management plans
1. No effluent generation from the project
  2. Environment management Cell in place
  3. Emergency preparedness plan in place
  4. Regular Maintenance of Machinery
7. Breakup of the project area
- a) Submergence area : forest & non-Forest : NIL
- b) Others

8. Breakup of the project affected population  
With enumeration of those loosing houses  
/ dwelling units only agricultural land only  
both dwelling units & agricultural land &  
landless laborers/artisans:  
a) SC, ST/Adivasi  
b) Others  
: NIL, No population is getting affected
9. Financial Details:  
Project cost as originally planned and  
Subsequent revised estimates and the year  
of price reference  
: Approx. 3.00 Crores
- a) Allocation made for environmental  
management plan with item wise and  
year wise break up  
: EMP will be addressed in the contract
- b) Benefit cost ratio / Internal rate of  
Return and the Year of assessment  
: Nil for the current year since the Natural Gas  
pipeline yet to establish.
- c) Whether it includes the cost of  
environmental Management as shown  
above.  
: Nil for the current year since the Natural Gas  
pipeline yet to establish.
- d) Actual expenditure incurred on the  
project so far  
: Nil, since the Project is yet to start.
- e) Actual expenditure incurred on the  
environmental Management plans so  
far  
: Nil, since the Project is yet to start.
10. Forest land requirement  
: Not Applicable
11. The status of clear felling in non-forest  
areas (Such as submergence area or  
reservoir, approach Roads), if any with  
quantitative information required  
: Not Applicable
12. Status of construction  
a) Date of commencement (Actual & / or  
planned)  
: Not yet Started/Calendar Year 2022  
b) Date of completion (Actual & /or  
planned)  
: Not yet Started/Calendar Year 2022

13. Reason for delay if the project is yet to start

: The follow up was on for Permissions / NOCs for laying approach line from other statutory authorities like MSRDC, MMB & Private parties etc related to creek crossing. However, BPCL initiated work across creek in same alignment of MGL's proposed pipeline. In view of this it is thought prudent to re-examine MGL's proposed alignment & exploring the possibility of laying gas pipeline at opposite side of creek. The proposal is submitted to CRZ accordingly for revised alignment.
