Ref : F.No.11-30/2013-IA.III Dated 17th Sept 2014

Point Wise Compliance Status to various stipulations

5-A	SPECIFICATION CONDITIONS	COMPLIANCES
(i)	"Consent for Establishment" shall be obtained from State Pollution Control Board under Air and Water Act and a copy shall be submitted to the Ministry before start of any work at the site.	Consent to Establish has been obtained from Maharashtra Pollution Control Board, Consent No- BO/RO/(HQ)/KN-4211-10/CC-87, dated 13th Sept 2011 and copy will be submitted to Ministry before start of any work at the site.
(ii)	The pipeline shall not be laid in mangrove area and there shall be no destruction of mangroves as committed.	The Pipeline will be laid by Horizontal Directional Drilling (HDD) Methodology at a dept more than 2.5m from the water bed.
(iii)	All the recommendation of Risk Assessment and Disaster Management Plan shall be complied with.	Will be complied as and when the construction work starts.
(iv)	The depth of Horizontal Directional Drilling (HDD) pipeline shall be decided based on the geotechnical investigation.	Will be complied
(v)	All the conditions/recommendations stipulated by Maharashtra Coastal Zone Management Authority (MCZMA) vide letter No. CRZ-2011/CR-60/TC-2 dated 21.02.2013, shall be complied with.	Will be complied as and when the construction work starts.
(vi)	There shall be no disposal of solid and liquid wastes in to the Coastal areas.	Will be complied as and when the construction work starts.
(vii)	There shall be no ground water drawal within CRZ area.	Will be complied as and when the construction work starts.
(viii)	Necessary signages shall be installed in both English and local languages wherever the pipeline is passing.	Will be complied as and when the construction work starts.

5-B	GENERAL CONDITIONS	COMPLIANCES
(i)	Adequate provision for infrastructure facilities including water supply, fuel and sanitation must be ensured for construction workers during the construction phase of the project to avoid any damage to the environment.	Will be complied as and when the construction work starts.
(ii)	Appropriate measures must be taken while undertaking digging activities to avoid any likely degradation of water quality.	Will be complied as and when the construction work starts.
(iii)	Adequate precautions shall be taken during transportation of the construction material/pipes so that it does not affect the environment adversely.	Will be complied.
(iv)	The project proponent will set up separate environmental management cell for effective implementation of the stipulated environmental safeguards under the supervision of a Senior Executive.	Environment Management Cell headed by Vice-President (O&M) is in place.
(v)	Full support shall be extended to the officers of this Ministry/ Regional Office at Bhopal by the Project proponent during inspection of the project for monitoring purposes by furnishing full details and action plan including action taken reports in respect of mitigation measures and other environmental protection activities.	All support will be extended to the concerned officials during inspection of the project.
(vi)	Ministry of Environment, Forests & Climate Change or any other competent authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.	Will be complied
(vii)	The Ministry reserves the right to revoke this clearance if any of the conditions stipulated are not complied with the satisfaction of the Ministry.	Agreed
(viii)	In the event of a change in project profile or change in the implementation agency, a fresh reference shall be made to the Ministry of Environment, Forests & Climate Change.	Agreed
(ix)	The project proponents shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities and the date of start of land development work.	Will be Informed accordingly.

(x)	A copy of the clearance letter Panchayat local NGO, if any, representation has been made proposal.	Not applicable
(xi)	State Pollution Control Board shall display a copy of the clearance letter at the Regional Office, District Industries Center and Collector's Office/Tehsildar's office for 30 days.	Not applicable
5	These stipulations would be enforced among others under the provisions of Water (Prevention and Control of Pollution) Act 1974, the Air (Prevention and Control of Pollution) Act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification 2006, including the amendments and rules made thereafter.	Will be complied as and when the construction work starts.
6	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, Forest Conservation Act, 1980 and Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponents from the respective competent authorities.	Approval from Maharashtra Pollution control Board has been obtained. Other applicable clearances will be pursued if required.
7	The project proponent shall advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded CRZ Clearance and copies of clearance letters are available with the State Pollution Control Board and may also be seen on the website of the Ministry of Environment, Forests & Climate Change at http://www.envfor.nic.in . The advertisement should be made within 10 days from the date of receipt of the Clearance letter and a copy of the same should be forwarded to the Regional Office of this Ministry at Bhopal.	Advertisements placed in two newspapers- Indian Express on 5/10/2014 and Loksatta on 09/10/2014. (Copies attached).
8	This Clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs. Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this Project.	Not Applicable
9	Any appeal against this clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.	Not Applicable
10	Status of compliance to the various stipulated environmental conditions and environmental safeguards will be uploaded by the project proponent in its website.	Will be complied once the Construction work Commences
11	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated Clearance conditions including results of monitored data (both in hard copies as well as bye-mail) to the respective Regional Office of MoEF&CC, the respective Zonal Office of CPCB and the SPCB.	Six monthly reports will be submitted regularly once the Construction work Commences
12	The environmental statement for each financial year ending 31st March in Form-Vas is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of conditions and shall also be sent to the respective Regional Offices of MoE F & CC bye-mail.	Will be Complied once the Pipeline Construction work Commences
